TOKIO July 11. The problem with resident in Japan has been recommended

tivity of the Germans has request themmuch feeling in business correspond enemy authlests here are causing per formers of courses made to manent and serious harm to lapance white of the severement standing as an affect the severement to be a set of such as the officials staniling as an aniv.

ment now accorded them and that remained in this has respited in severe criticals. This from British Prench and Russian Transfers for a great control residents and traders. It contributes for publication and of summerical with the disadvantage of Japan and how first began in a liver with allies and expresses the convectors! that a more strict construction should fol trade and residence of induct. . be not withdrawn altogether.

The chief causes of complaint raised by the residents of countries in alliance with Japan in the pres enf war are cited to be the fullow

Austrians in Japan are allowed . much freedom in their daily recond of life as the other foreign wantents This is not the case to any draw Allied country.

dom, enemy firms continue to su gare in trade in competition with al Heef merchants.

Third, that in an attempt to comup their enemy characteristics. To German firms in a munitier of in stances have adopted nature of Lan area employes. thus to outsiders he coming to all intents and purposes Jupaness firms.

Fourth, that the tierman tank known as the Desteche Asiatic Hank, is allowed to remain open at Yoka hams and continues to do forancia business with an apparently unlimit ed supply of ready money

Fifth, that the German elimited opposite the Yellobanus Foreign Postoffice openic keeps as its social activities and that consof revely and rejoicing over alloc reverses are openly allowed within the hearing of passersly.

Sixth, that German firms are a lowed all the privileges of the post office, the telegraph, patent laws so other business facilities in open con petition with allied interests

of German Intrigue to Japan wage fally, in commerce, and melecation that the Germans in this countries are enger, despite what has hanned ed in Europe, to luture themselve an much so possible into-every brane of martineal life in Japan

After pointing out that Japan h not torbidden her subjects to crack with the enemy countries the Time Medgewa that the majority of Jupon ess business men wines experted has faught them to buck brootly but the future believe that James over with profit to herself enact leavels tion making it illional to trade with

Pailure to form the Allies in the trading probabilion will, " is alone cause: the Japanese to less min herself open to the numbers of his her hustness man result it then it street actualty help derman, to w. the war by acting as an interest in-Cormans are in crying week.
